RULE BOOK

KRITI

Events

1.1 High-Prep Competition

- These are the competitions that involve proof-of-concept demonstration, implementation etc., that happen during the meet. This requires extensive preparation of any prototypes, submissions, etc., from the contingent as directed by the Problem Statement. The problem-solving will require sustained efforts of **4-10 weeks** or more with weekly input of **10-30 hours**. A significant amount of prototyping costs/resources will be involved in high-prep competition

1.2 Mid-Prep Competition

- These are the competitions that involve demonstrations or presentations that happen during the meet. This may require the preparation of some prototypes, submissions, etc., from the contingents as per the Problem Statement. The problem-solving will require a sustained effort of anywhere between **2-4 weeks** with weekly input of **8-20 hours**.

1.3 Low-Prep Competition

- These are the competitions that involve presentations that happen during the meet. This may require the preparation of some submissions, etc., from the contingents as per the problem statement. The problem-solving will require a sustained effort of anywhere between **4-7 days**

1.4 No-Prep Competition

- These are the competitions that require on-the-spot efforts with **no prior preparation** of any prototypes, submissions, etc., from the contingent.

Guideline

- All applicable reports must be typed using either Helvetica or Garamond font (or in LATEX) with a minimum **font size of 10 points** and **1.15 letter spacing**
- Submissions to all the PSs should be made through the official portal.
- All submissions must be turned in by the specified deadline. **Late submissions will lead to point deductions** as detailed below Penalties Section
- Participants must ensure that all work presented in the Reports is original and does not violate any copyright or intellectual property rights. The reports may undergo plagiarism checks using software tools.
- Participants are expected to maintain the highest standards of ethical conduct during the event. **Any unethical behaviour, including cheating or unfair practices, may result in disqualification.**
- **No one is allowed to leave the stage/podium before finishing their presentation.** If, for any reason, the podium must be vacated before the presentation is complete, it will be done with an assigned volunteer accompanying the presenters.
- **Photography and videography during events and presentations are strictly prohibited.** All presentations for each Problem Statement will be officially recorded by the Organizing Committee. Access to these recordings shall be granted only under circumstances determined by the Convener of Kriti.

Presentation

- The order of the presentation for each event will be a random permutation
- The duration of the presentation will be capped to a specified length (in minutes) which will be conveyed prior to the final event. Exceeding the stipulated time will attract penalties as detailed below in the penalties section.
 - However, the interaction or the question answering will not be timed(hence cannot be subject to penalties).

Contentions

Technical

- In order to regulate the process of raising contentions, contentions directed toward PS violations shall only be raised immediately after the presentation of each team.
- After each presentation or demonstration, a brief window of 3 minutes will be provided for all hostels to raise contentions through a form.
- All raised contentions will be communicated to the judges for consideration, and they will conduct investigations accordingly.
- Each hostel will receive a set number of contentions per event (3 each for High Prep and Mid Prep, 2 each for Low and No Prep).
- If the judges find the contention valid, the contention will be refunded to the raising hostel.
- After investigation, if the accused hostel is indeed in violation, • The accused hostel shall be given a chance to defend themselves.
- Grading and final scoring will be done after all the contentions are addressed, and the decisions made by the judges will be reflected in the final scores. The decision made by the Judges will be final

Non Technical

- In order to regulate the process of raising contentions, contentions directed toward PS violations shall be raised through forms which will be released after all the presentations are concluded
- Each hostel will receive a set number of contentions per event (3 each for High Prep and Mid Prep, 2 each for Low and No Prep). After investigation, if the accused hostel is indeed in violation,
 - The accused hostel shall be given a chance to defend themselves
- The decisions made by the organizing committee will be final and not open to further discussion once finalized.
- Grading and final scoring will be done after all the contentions are addressed, and the decisions made by the judges will be reflected in the final scores. The decision made by the Judges will be final.
